

CHEF'S TOYBOX

EXOTIC TASTY FAVORITES

July 2020

RAMBUTAN

180160 | 5 lb.

Rambutan is very unusual looking with its hairy appearance. The rosy flavor of the rambutan resembles a combination of a strawberry and a muscat grape.

SQUASH ZUCCHINI BABY

188920 | 5 lb.

Baby zucchini is quite a bland vegetable. Its texture is soft but not mushy. Amazing recipes are available to make this an unforgettable flavorful dish. Zucchini is also high in the antioxidant vitamin C, which may help the lining of your blood cells

MICRO WASABI GREENS

151090 | 4 oz.

Micro wasabi greens offer big wasabi flavor in a tiny package. Their flavor starts out green/herbaceous and fresh, then moves into wasabi heat after.

SPROUT BEET

185090 | 8/2.5 oz.

Red Beets grow into gorgeous, tender Micro-Greens and sprouts, with deep red shoots topped with lovely leaves – some red and some green with red veins. An amazing earthy flavor rounds out this extremely rewarding sprout.

MICRO GREEN PEA TENDRILS

150580 | 8 oz.

As well as tasting delicious pea tendrils are highly nutritious, containing seven times more Vitamin C than blueberries.

FLOWER ORCHID

126700 | 100 ct.

Lovely, Petite-sized orchid in lavender shades. Aside from vanilla being the most recognized orchid that can be eaten, orchid flowers have been a part of the diet of people long before any of them found their way to cakes and cocktail drinks.

PETITE SEASONS MIX

135820 | 8 oz.

The Petite Season's Mix is crisp and tender with green, earthy flavors mixed with sweet and tangy bright notes.

BLACK RUBY PLUOTS

172600 | 2 lyr.

Black Pluots have a dark burgundy skin speckled with gold; the interior fruit is an attractive rosy red. The flavor is juicy sweet with a firm texture. The fruit's distinctive taste makes it a great summer hand snack or an ingredient in salads, glazed tarts or dessert sauce.

WHITE DRAGON FRUIT

121845 | 10 lb.

White Dragon Fruit, also known as Pitaya, is a beautiful tropical fruit in the cactus family with bright magenta flesh speckled with small, edible seeds. The flavor is sweet with an earthy note.

MICRO LIVING AFFILLA CRESS

150785 | 2 lb.

Still rooted in their growing medium, this member of the pea family is lively and bright green, and ready for you to cut-to-order for a beautiful fresh addition to your creation.

GOJI DRIED

110370 | 1 lb.

Known as the anti-aging fruit, goji berries are a darling of the superfood world. Packed with powerful antioxidants, they offer benefits for the skin, immune system, and more

MIXED MELONS

148780 | 6ct.

Ripe, ready and delicious during the summer season! 18 brix!!
